ON-BOARD COURIER NETWORK

When a shipment absolutely cannot wait for the next freight cycle, **HANDCARRY** puts a dedicated courier in the cabin with it. One person, one bag, one mission — your cargo never leaves human hands from pickup to delivery. You get full quote and costing in less than 3 hours, and a team that handles the flight, the customs, and the paperwork — so you don't have to think about it again until it's delivered.

Speed You Can Quote

Flight routing and a full service quotation — end-to-end costing, flights, courier, customs — in less than 3 hours.

One Team, Full Visibility

Door-to-door pickup, customs clearance, flight transport and delivery — one team throughout, plus a live WhatsApp group with you, OneLoop and your OBC for real-time tracking.

Duties & Customs, Done Right

Local customs entries, filing and duty payment handled compliantly by experts, with receipts — in every country your shipment touches.

Worldwide Network, Marine-Ready

Vetted on-board couriers pre-positioned globally, with deep specialization in urgent marine parts and vessel-critical equipment where downtime is never cheap.

HOW IT WORKS
